

Valley Brook Farms Clean-up Day

Saturday, Sept 14th

• VBF HOA MEMBERS ONLY —

Do you have items considered hazardous or toxic and want to dispose of them easily? Please check the following website:
www.recyclehancockcounty.com

- Do you have some junk you need to get rid of? You know that old scanner, bicycle or stove? Residents who live in Valley Brook Farms may recycle these items by placing them in their respective removal locations by the specified time(see page 2).

**** TV's with Tubes will not be accepted please take to the toxic cleanup day at Covance on Sept 28th.**

- Do you have large, bulky household items to dispose of like carpet, furniture, or large yard waste? Residents may place these items in the large dumpsters (See page 2).

Disposal Alternatives Organization

How to Participate on: SATURDAY

Sept 14th, (28th for Toxic items see below)

- Set materials at the designated locations on **Saturday, September 14th**. Times vary per item, so please read carefully. If you need dumpster access on Sunday, please call Forrest Gaston 894-0113 for details (If space is available).
- Separate and drop off items to the respective locations:
 1. Tox-away waste (See list on back) - **Sept 28th** at Covance Parking lot .. You must make a reservation. Please see or contact recyclehancockcounty.com (317-462-7605)
 2. Recycle Waste (See list on back) *Yellow*
 3. Bulky household (Dumpster) waste– items not included on the “Recycle Waste” or Toxic waste list.
- Please encourage your fellow neighbors to participate to promote neat, attractive, and welcoming curbside appearances.
- Please note: the “Recycle waste” will have two drop-off locations (please see page two for additional details).
- Please place and stack the (yellow) recycle items near the sign at the Emory Cul-de-sac. They will be picked up at 2 pm.

1 Toxic Waste

2 Recycle Waste

3 Dumpster

Important Notice

The Home Owners Association is committed to providing our residents helpful services such as this clean-up day. This allows the money collected for yearly dues to be “invested back” into our neighborhood.

You are encouraged to attend future meetings to support our current efforts and help us plan for future VBF events.

** LATEX Paint can be dried with kitty litter and placed with your regular trash.

Below are items to drop off at the
[Emory Dr. cul-de-sac](#)
